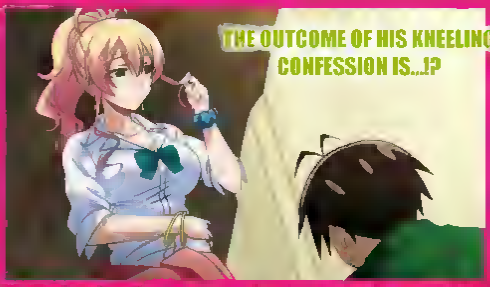
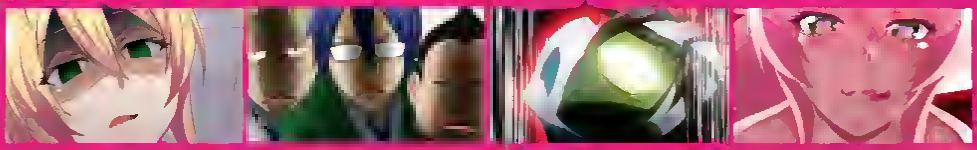
A REVIEW OF HOW THE FIRST TWO EPISODES STARTED AND ENDED.☆

Let's do a quick review of the first two episodes before the new one comes out!
Those of you who missed the episodes, make sure you check.☆



FIRST EPISODE: 'THE FIRST BEGGING'

Begging him on by telling him "you beg on your knees while confessing, you'll be able to graduate from your virginity', the virgin Hashiba Junichi's horrible friends convinced him to confess to the class gal, Yukana Yame The result? A cold and swift 'digusting' as an answer though the story heads in an unexpected direction from there!?



SECOND EPISODE: 'THE FIRST KARAOKE'

Somehow her reply to the confession was an OK! After somehow being able to go out with such a cute gal Junichi is not able to accept the reality, but is invited to karaoke all of a sudden by Yukana At the same time, Junpei's words of 'Normies use karaoke rooms as replacements for hotel rooms' echoed over and over in Junichi's head
